

SAY HELLO TO THE FUTURE!

SAY HELLO to Shellac.
New, patent-pending UV₃ technology combines the ease of polish with the permanence of gels. A true innovation in chip-free, extended-wear nail color.

SHELLAC™

- On Like Polish.
 - Wears Like Gel.
 - Off In Minutes. (really!)
- patent pending

Shellac UV Top Coat

A durable single layer seals the deal with a mirror-like finish.

Shellac UV Color Coat

Apply 2 coats just like polish! Available in 12 popular shades. **Lasts 2 weeks!**

Shellac UV Base Coat

One thin layer is all you need. Cures in 10 seconds.

ALL NEW UV Lamp

Ergonomic, programmable lamp with time-saving cure for 5 fingers or toes. Great for manicures and pedicures.

Shellac Remover Wraps

10-MINUTE REMOVAL!

Includes integrated cotton pad for limited acetone exposure and built-in adhesive tabs to secure wrap in place.

Don't soak, file or drill. Just wrap!

BETTER SCIENCE MAKES BETTER PRODUCTS.

The patent-pending formulation of solvents, monomers and polymers is why Shellac goes on like polish, wears like gel and removes in minutes. It's hypo-allergenic and "3-FREE".
